CONFERENCE THEME

ANAESTHESIOLOGIST - PAIN AND PERIOPERATIVE PHYSICIAN - COMPREHENSIVE ROLE

Organized by:  
ISA Mahabubnagar City Branch &  
SVS Medical College, Mahabubnagar

## YOUNG ANAESTHESIOLOGISTS AWARD OF TELANGANA (YAAT)

Applications are invited from qualified anaesthesiologists for the **Young Anaesthesiologists Award of Telangana (YAAT)** to be held during the annual state conference of ISA Telangana being organized by ISA Telangana, ISA City branch Mahabubnagar & SVS Medical College, Mahabubnagar from 5th July to 7th July 2024.

Guidelines for participation are as follows:

### 1. REQUISITE QUALIFICATIONS

- Should be qualified anaesthesiologist less than 40 years of age
- Should not have presented in a state or national level conference earlier
- Participant should have completed their post-graduation in Telangana state

### 2. SELECTION PROCESS

- Select a topic (which is not included in the scientific program of the ISACON-Telangana 2024)
- Prepare a review article in a similar format as that of Indian Journal of Anaesthesia.
- A write up on the chosen topic should be submitted to the Scientific Committee

ISACON TELANGANA **before 25<sup>th</sup> JUNE 2024.**

- Submission YAAT to be mailed to [yaat.isacontelangana2024@gmail.com](mailto:yaat.isacontelangana2024@gmail.com)

**First Round:**

Five anaesthesiologists will be selected from the articles submitted. Selection will be based on the choice of topic and the quality of write up. The decision of the panel of selectors will be final.

**Second Round:**

The five anaesthesiologists selected in Round 1 will be required to deliver a short lecture of 15 minutes on the Day1 (6th July) of ISACON-Telangana. The lecture will be followed by interactive session of 5 minutes with a panel of judges and on floor conference delegates.

**The Young Anaesthesiologists Award of Telangana -YAAT**

will be given to the best presentation decided by the panel of Judges.

**Guidelines**

1. The article should be of maximum 2000 words. The article should be divided into three sections with headings as Introduction, Body and Conclusion.
2. Name or other identifiers should not be included in the attachment as it will be sent to selectors for blinded assessment.
3. References should be in Vancouver style. A maximum of 50 references and a minimum of 10 references will be allowed for the article.
4. The article should be accompanied by a COVER LETTER with the following details.
